

Youth for the SDGs Scholarship

Young people working to advance the UN Sustainable Development Goals (SDGs) are invited to apply for scholarships for either of two unique experiential learning programs taking place onboard Peace Boat voyages, focusing on sustainable development.

SPRING PROGRAM IN ASIA

April 2-20, 2018
Singapore - Cambodia - Thailand - Viet Nam

SUMMER PROGRAM IN LATIN AMERICA

July 20-August 3, 2018
Panama - Costa Rica - Mexico

In 2015, 193 UN member states came together to define 17 Sustainable Development Goals (SDGs) to shape the global agenda for sustainable development in the next fifteen years and beyond. Achieving the SDGs requires mobilization of young people through entrepreneurship, volunteering, research, education and other endeavors.

Towards this aim, Peace Boat US is offering two full scholarships (program and travel expenses) and a limited number of partial scholarships for each program.

Among the 17 SDGs, the Asia and Latin America programs will place special emphasis on SDG13 (Climate Action) and SDG14 (Life Below Water) as part of Peace Boat's commitment to the Ocean Pathway Partnership. A COP23 Presidency ocean initiative, the Ocean Pathway Partnership embodies the important relationship between the ocean and climate change. Fiji and Sweden co-chaired the first UN Ocean Conference in June 2017 and the Call for Action underlined the urgency for a healthy ocean and the critical relationship between the ocean and climate. Action for a healthy ocean is action on climate change and vice versa. We seek to encourage more youth to get involved with the UN Sustainable Development Goals and take action to protect our oceans.

Eligibility

- Ages 18-30 years old
- Currently or previously involved in SDG-related initiatives
- Ability to obtain visas for relevant countries if necessary
- Possess a passport valid through February 28, 2019

For more details about the program, scholarship, and application process, please visit the website and select the program you would like to apply for:
