

MARCH FOR SCIENCE

— MEDIA ZONE —

Since the science is telling us not to march, **MARCH FOR SCIENCE** is bringing together youth leaders and institutions from around the world to not only discuss solutions to the United Nations Sustainable Development Goals (SDGs), but develop partnerships to achieve those goals.

We will mobilize the global community around initiatives, campaigns, and policies that are making a meaningful difference in communities across the globe.

We hope you join us.

Please RSVP to caisey@marchforscience.com

APRIL 26

GLOBAL YOUTH FORUM

CHAMPIONS OF THE SDGS

Streaming live to the MFS Facebook community
of 800k+ science advocates @ facebook.com/marchforscience.
